Sections should be numbered from 1 to n.
Sub-sections: 1.1, 1.2…1.n; 2.1…2.n
Please do not use automatic numbering. The 'Introduction' and 'Conclusions' sections should not be numbered.

Please use no more than **two level of headings**. Do not use two heading next to each other without text in-between.

When a **direct quotation** is used, always include the author, year, and page number as part of the citation and please include double quotation marks (" ").
When **a citation** is used, source material must be documented in the body of the paper by citing the author(s) and year of the sources.

In sources with **more than 2 authors** the referance should be as in the example from text (first author's surname "*et al.*", year), and in the reference all authors must be included

Bullets & Numbering: use **simple lines** or **arab numbers**, TNR 11, Hanging: 0,63 cm;

A **quotation with 40 or more words** should be included in block format (without quotation marks) apart from the surrounding text – **indent: left & right 0.5 cm**
